

If you intend to take any classes on campus in the Fall semester, you must notify StudentAffairs@tjisl.edu and have approved health insurance.

Dear Thomas Jefferson School of Law Online Student,

Thomas Jefferson School of Law is committed to the health of all our students. All students attending the online program at the law school are **eligible** to take part in the law school's student health plan.

The law school offers access to comprehensive health care for all students regardless of pre-existing conditions. You can also add Dental Insurance and Vision Insurance once your health insurance is active. There is no Dependent Option.

If you wish to opt in for the plan please follow the steps mentioned below.

For full details of participation in the plan, including cost, please view the attached brochure or online at: <http://tjisl.myahpcare.com>

Steps to enroll/opt in the Student Health Insurance Plan (SHIP)

- You will access the Academic Health Plans enrollment site via Thomas Jefferson School of Law microsite, <http://tjisl.myahpcare.com>
- To enroll, you must utilize your Thomas Jefferson School of Law email address. **The system will not allow you to register with a personal email address. Once you receive the school email credential (if you do not have it already) you can enroll yourself for the SHIP.**
- Once your account is activated and you have logged in, you will choose the 'Begin Enrollment' tile on the first page.
- Go through the process of adding the coverage to your cart and going to the checkout page.
- Once on the payment screen, there are two options to pay. Either via ACH payment or via credit card payment.
- This will enroll you immediately in the plan.

Sincerely,

Director B.
